

ENTERPRISE DAY 2018

Enterprise Day 2018

Dear Parents, Relatives and Community Friends,

Welcome to our 2018 Enterprise Day, an example of real-life learning for our students in the curriculum area of Business and Economics and financial literacy. We hope the information below helps you enjoy the day:

Sales take place from 12:30pm to 2:00pm only. No 'early bird' sales.

Students may bring up to \$15, depending upon their age. Students may need a shopping bag to carry their purchases – and so may you! Please remember to bring gold and silver coins. Prices will range from 10c to \$10. Notes can be changed at the Finance Window between 12:30pm and 1:00pm ONLY.

Canteen: There will be no canteen for either recess or lunch on Enterprise Day.

Parking: In the laneway and on West Parkway (be gone before 3pm); at the Baseball Club car park and walk across the oval; and in the streets surrounding the school. Please be considerate of our neighbours and do not park across or very close to driveways.

Help and questions: See a member of the school staff, all wearing pink high-visibility vests.

First Aid: Available at the School Office.

Toilets for adults: Please use the toilets at the Doolette building. All other toilets are for children only.

Catering: There is a coffee van available for adults, next to the Reade building. A sausage sizzle will be situated under the gazebo (unless sold out) and Indian and Japanese rice rolls available.

Students will be dismissed at 3.10pm: Please do not take students early, as classes count their takings and review Enterprise Day from 2.30 to 3:10pm. This is an important part of their learning.

Please note Enterprise Day is now a biannual event. The next one will be in 2020.

Money raised this year will contribute towards funding our new Science/Cooking Room!

Thank you for your support of this rich community learning event

**Guidelines for
Visitors**

Please remember that stalls and activities are run by the students and may not always go to plan – please resist intervening and let our students problem solve independently.
